Introduction

Thank you for your purchase of a SSR Electric Bicycle/Scooter. SSR makes some of the finest Electric Bicycle's/Scooter's in the world, and we back our products with a warranty that is clear and fair, and supports you and your SSR Electric Bicycle/Scooter.

Every SSR Electric Bicycle/Scooter undergoes numerous and detailed inspections during the manufacturing process. SSR Motorsports, requires its dealers to examine Electric Bicycle/Scooter such as yours several times before your first ride: At the time of Electric Bicycle/Scooter assembly from its shipping container; at the time the Electric Bicycle/Scooter is serviced for its first test ride; and after the dealer's test ride. These inspections are described on your copy of the Certificate of Electric Bicycle/Scooter Pre-delivery that the dealer provided to you when he sold you your Electric Bicycle/Scooter. The reason for all of these inspections is to make sure that your Electric Bicycle/Scooter is in top condition at the time of your purchase.

Though your SSR Electric Bicycle/Scooter was manufactured using state-of-the-art manufacturing processes, backed by decades of experience in bicycle design and development, it is still possible that a problem might occur. We do our very best to make sure that this cannot happen, but sometimes it does.

If a problem should occur with your Electric Bicycle/Scooter after you buy it, SSR Motorsports supports your Electric Bicycle/Scooter with a Limited Warranty Policy that ensures that any defects in factory workmanship or materials reported within the warranty period of the Electric Bicycle/Scooter will be repaired as promptly as possible, at no cost to you for parts.

This SSR Limited Warranty Policy Booklet describes what conditions are covered by the Electric Bicycle/Scooter warranty, and which conditions are not.

If you have read this booklet and still have a question, ask your dealer's Service Manager, or Owner. If they cannot answer your question, please contact SSR Motorsports, using the information contained in the SSR Limited Warranty Policy.

Welcome to the SSR family. We hope that you enjoy every minute you spend with your new SSR Electric Bicycle/Scooter.
